Dear Alex

Termination of employment by reason of redundancy

Following the consultation meetings held on 10 and 24 February 2026, I am writing to confirm that your role of Software Engineer is being made redundant. Your last working day of employment with Northgate Systems Ltd will be 13 March 2026.

You will receive your statutory redundancy payment, payment in lieu of untaken holiday, and your final salary payment in the March payroll run. Your P45 will follow.

This decision is not a reflection of your performance. We are sorry to lose you and we will provide a reference on request.

Yours sincerely

R. Okafor

Head of People, Northgate Systems Ltd
